

## FOR IMMEDIATE RELEASE

### “Open Document”

*An experiment in artist-curated exhibitions and documentation.*

Opening reception Saturday, June 11, 2011, 6-9pm

Long Beach, CA, June 1, 2011: “Open Document” is an invitation for a select group of artists to self-curate a large-scale exhibition in Downtown Long Beach. The artists were asked to address traditional policies of art institutions to have closed doors during the planning and installation of exhibitions. In response, all phases of the exhibition process have been documented and are available for public viewing. Participating artists include: Janice Gomez, Fatima Hoang, Tucker Neel, Chris Oatey, Jenny Yurshansky, and JEFF&GORDON.

**Location:**

D-Block Projects
